

Li answers the phone.
"Hello, your daughter is ill," says the teacher.
"Can you pick Diane up from school please?"
Li puts on her coat.
She runs to the school.
"Take Diane to the doctor," says the teacher.
"She has earache."
The doctor looks into Diane's ear.
Diane needs medicine.
The doctor writes a prescription.
Li takes Diane home.
Diane goes to bed.
She takes the medicine.
She sleeps.
Now Diane is better.
She can play with friends.
Li is happy.
