

Every day

Because every day I go to bed at ten o'clock in the morning!

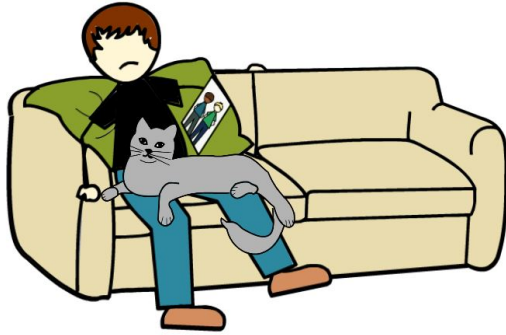

Every day I go to bed at ten o'clock in the morning.

Why do you get up at ten o'clock in the morning?

Because I don't have time to meet my friends, so I feel very lonely, so I have twenty cats, so I want a big house and I need a lot of money, so I drive a taxi and I work at night, and every day I go to bed at ten o'clock in the morning.

Why don't you have time to meet your friends?
