Task 3 - Vocabulary

• Below is the transcript of the video your teacher showed you – ‘My neighbourhood’.

1 I live at number 15, Main Street. I have lots of lovely neighbours.
2 They are friendly and helpful. I have three next door neighbours -
3 Aisha lives at number 13 and Claire and Helen live at number 17. Every
4 morning, Claire and I leave for work at the same time, and we always
5 have a quick chat - we usually talk about the weather. If I go on
6 holiday, Aisha puts my bins out for me. When Helen and Claire go
7 away, I feed their goldfish and look after their cats. Peter lives
8 opposite me at number 16. He has two small children and sometimes I
9 babysit them for him when he works late. Pat lives at number 20. She
10 is quite nosey and likes to know everything about everyone - she loves
11 to gossip! Irene lives at number 19 - she is quite old and doesn't go out
12 much. She loves it when people drop in to see her for a cup of tea
13 and a biscuit. She likes to talk about the old days when she was young
14 - she can remember what Main Street was like 50 years ago. It's a
15 friendly neighbourhood!
