

Personal information for a job application

1 I am originally from Thailand but I live in Manchester now. I am a shop assistant and I work
2 in a fruit shop near my home. I check the fruit is fresh and I serve customers. I enjoy my job
3 because I like talking to customers and helping them.

4
5 Before I moved to Manchester, I lived in Bangkok in Thailand I studied business
6 administration at college in Thailand. I learned a lot about working in business. When I
7 finished college, I started working in an office in Bangkok. I typed letters and answered the
8 telephone. I stopped there for three years. After that I married my English boyfriend and
9 moved to England.
