

Asking questions about recycling

Council: Hello, Greenwood Council Local Services. How can I help you?

Salma: Hi, yes I have just moved to Radford Street and need to ask some questions about recycling.

Council: OK. Sure.

Salma: Can I recycle my rubbish?

Council: Yes, of course.

Salma: How many bins will I have?

Council: You will have 3 bins. One bin for food waste, one black box for recycling paper and glass and one green bin for plastics and tins.

Salma: How often will the bin men collect my rubbish?

Council: Every week.

Salma: And what day do I put my rubbish out?

Council: On a Wednesday.

Salma: Ok, and what time do I need to put my bins out?

Council: At 7.00 in the morning.

Salma: Where is my local recycling centre?

Council: It's 2 miles away, near the supermarket on Queen Street.

Salma: OK brilliant. Thanks for your help.

Council: No problem.

Salma: Bye

Council: Bye
