

Working hard

1 This photograph was taken in a family home, in the dining room, and shows two adults
2 and a little boy sitting at **a dining table**.

3 The main focus of the photograph is the man on the left hand side, who is working and
4 the little boy on the right hand side, who is eating. In the background, on the far side of the
5 table, there is a lady talking on the telephone. It seems like the two adults are the child's
6 parents. The room is clean and bright, with white walls, **a window** and **a bookcase** with lots
7 of books in it against the far wall. There is a tall, cream **lamp** on the right, next to the
8 bookcase.

9 The father, who is wearing a white shirt and black glasses, looks like he is working from
10 home today; he appears to be very busy as he is looking down at his **notepad** and has a
11 pen in his hand. He is not smiling so maybe he just wants to get on with his work.

12 I think the little boy looks about two years old and has light brown, wavy hair. He is sitting
13 in **a high chair** and is wearing a white and blue **stripy jumper**, with a white and red **bib**
14 around his neck. In front of him, there is **a baby's drinking cup**, full of juice and a plate. It
15 looks like he has finished the food on his plate and is pushing it away. He has turned away
16 from the table so perhaps he is now bored and wants to go and play.

17 The mother, wearing **a blue blouse**, is talking to someone on the phone. She could also
18 be working from home, and is having her lunch while she works as she has a plate in front of
19 her. On the other hand, she could just be chatting to a friend.

20 Although everyone looks busy in the picture, they seem very well organised. Maybe they
21 are working hard now so they can enjoy some free time together very soon.
